### **FROM THE OFFICE OF ED LUZADER PRESIDENT OF THE PAST SHOOTERS CLUB**

**Spring Greetings to all the Past Shooters, their families and friends!** This past winter in Chicago we had more snow than in the last 30 years. Surely that's enough for the next thirty years! By now, all of us turn the pages of the calendar and anxiously anticipate warm weather, longer days, and up-coming Past Shooter events in Lander, Wyoming! We have two future activities to look forward to in June and September. So, start making plans to register for the **Foo Foo Rah in Lander, Wyoming, June 5-7<sup>th</sup>** and book your rooms for the **One Shot Antelope Hunt, September 17-20<sup>th</sup>**!

As stated in the **January Gazette** newsletter, the **Foo Foo Rah** will be held at the **Best Western, Inn at Lander**. Make sure you reserved your rooms in advance. Also, please fill out the enclosed **Registration form** and mark your choice of **Saturday banquet dinner options**. Return your forms to the Past Shooters Club office and if you have any questions, call Joanne at 877-333-8190.

Our **Spring Board Meetings** will be held on **Friday morning, June 6<sup>th</sup> at 8:00 am**, and the **Past Shooters Club meeting at 9:30 am at the Best Western**. This coincides with the One Shot Foundation/Water for Wildlife and Legacy Fund meetings. This year's PS business will include each committee Director's up-dates on Retail Sales, Gun Board, Ladies Raffle and Silent Auction. For the September Hunt, we anticipate a great assortment of top-quality items in each area. We also ask that each Regional Chairmen be pro-active in soliciting their Past Shooter members to participate in the September Hunt and/or donate items. Remember, money generated from Raffles, Retail Sales and Silent Auction provides funds for local Wyoming charitable organizations, college scholarships to deserving Fremont County high school students, contributions to the Legacy Fund, and helps keep our PS headquarters open for business!

**Congratulations to Past Shooter Richard "Goose" Gossage, 2000 Sportsman Team, for his recent induction into the Baseball Hall of Fame!** It's exciting to hear about Past Shooters accomplishments and honors. You can read more of his life achievements in this newsletter and on the WFW website: [www.waterforwildlife.org](http://www.waterforwildlife.org). I'm also glad to hear that many Past Shooters responded to the Legacy Fund Raiser gun pledge. All of this is "good news."

Again, many thanks to everyone who has donated in the past and continues to do so. Your generosity and support is what makes the Past Shooters Club one of the best sportsman organizations in the world!

Best regards,

**Ed Luzader**

**President**

**One Shot Past Shooters Club**

**From the Desk of Jack Scarlett  
Executive Vice President  
One Shot Past Shooters Club**

We want to welcome all Past Shooters and Committee Members to attend the annual Foo Foo Rah held in Lander, Wyoming, June 5, 6, 7<sup>th</sup> at the Best Western Inn at Lander. As always we have our Foo Foo Rah events and traditions. On Thursday evening, June 5<sup>th</sup>, cocktails and no-host dinner will be held at Svilar's in Hudson. Ladies will have a special no-host dinner at the Summit Restaurant, at the Inn. The Foo Foo Rah also consists of our Spring business meetings, held Friday, June 6<sup>th</sup>, and is in preparation for the September Hunt.

Finally, on Saturday, June 7<sup>th</sup>, we have a number of terrific Range Activities. These will be headed up by Gary Nolde at the Lander Valley Sportsmen Range.

I've been very pleased to see the response by so many Past Shooters for the Legacy Fund Raiser gun pledge. Even if you answered "no" on the postcard, I want to thank you for replying to our survey. I guided many of you over the years and it's a pleasure to know you are still active members of the Club and that many of you look forward to receiving the Gazette newsletters. I also want to reassure everyone that we do not share our mailing lists or any Past Shooters names with any other organizations. In fact, our Directory and Mailing Lists are kept extremely confidential at the Lander office.

In this edition of the Gazette we've posted "new" up-dates for the License Issuance Rules. A few changes will make the procedures easier to understand. I want to invite all "old" Past Shooters to help assist "new" Past Shooters at the License Issuance day on September 19<sup>th</sup>.

Again, it should be another productive and eventful Foo Foo Rah. Please come and attend the meetings. I look forward to seeing you in Lander in June!

Best Wishes,

Jack Scarlett  
Executive Vice President  
One Shot Past Shooters Club

President of the One Shot Antelope

Water for Wildlife**

They say that anything worth having is worth waiting for, and so, it is with the Commemorative Rifle. If the order is received by June 1, 2008, the rifles won't be ready until the 2009 Hunt. I hope this doesn't change anyone's mind about their commitment to the Project.

It is the middle of March already and that means the Foo Foo Rah is less than three months away. Other than the good time and competition that takes place, a lot of important work is accomplished too. None of this will be more significant than the advancement of Water for Wildlife Projects and work on the Endowment Fund. We can all be justifiably proud of the work we've accomplished over the past 33 years in improving the availability of water in so many parts of the West. Our biggest challenge will be to keep the fund raising momentum going, especially after our record Live Auction at the 2007 Hunt.

And speaking of Live Auctions, we have these donations for the 2008 event:

## **2008 One Shot Past Shooters License Request Information**

The following information will be helpful in requesting your License through the Past Shooters Club. Every year the Past Shooters Club is given a select number of Antelope Licenses during the annual One Shot Antelope Hunt. Your chances of purchasing a license are excellent. The following rules apply, and if you plan ahead and mark dates on the calendar, you should be in good standing on the License Issuance List.

### **Here's what you need to do:**

- 1) Wyoming Residents apply to the Wyoming Game & Fish for a License **May 1-May 31st**. Non-Wyoming Residents apply to the Wyoming Game & Fish **Jan.1- March 15th!**
- 2) Wait for the Results of the Draw for Wyoming Game & Fish Licenses by the **end of June!** Check their website at <http://gf.state.wy.us>
- 3) Once your results are posted, immediately send the Past Shooters Club office a copy of your results notification and your request for a License. Results can be Mailed, Faxed or emailed. (Fax # 307.332.3357; email: [pastshooters@wyoming.com](mailto:pastshooters@wyoming.com)) You will then be put on the License Issuance Lists on a first come first served basis.
- 4) **NO TELEPHONE CALLS WILL BE ACCEPTED FOR LICENSE REQUESTS!!** If you have any questions, please feel free to call the Past Shooters Office at 877.333.8190.

### **Here are the Official Rules for the License Issuance:**

- 1) Last year's team members as "new" Past Shooters will be on List 1.
- 2) Past Shooters who have furnished **PROOF** of their turndown from the Game & Fish, and have requested a license in writing will be on List 2.
- 3) Past Shooters who did **NOT** apply to the Game & Fish for a license, but requested a license in writing will be on List 3.
- 4) Past Shooters who are present at the Stag Luncheon, but made no advance request, can still verbally request a license, and will be put on the bottom of List 3.
- 5) Past Shooters are entitled to a license while the supply lasts, but may defer their license to a guest. If they wish to defer their license to a guest, but still desire a license for themselves, they may assume the position of their guest, providing the guest is listed on the Guest List. After every Past Shooter has received a license or deferred to a guest, their guests will be issued in the following priority: Guest List 1, Guest List 2, and Guest List 3. (*Note: The same "guest" may only receive two Past Shooter licenses per lifetime. This does not apply to immediate family members. This limitation has been in effect since 2005.*)
- 6) If a Past Shooter wishes to give their license to a lady, the license will be issued at the local Wyoming Game & Fish office.
- 7) Past Shooters on the list may change positions with another Past Shooter.
- 8) Guests may **NOT** transfer their license.
- 9) If a Past Shooter is not present at the time his name is called at the License Issuance, his name will be added to the bottom of his Past Shooter Priority List, and will be called again. If the Past Shooter is still absent after the end of that list, he forfeits his chance for a license.
- 10) A Past Shooter Guest may **NOT** receive a license at the License Issuance unless he is accompanied by the Past Shooter.
- 11) License Issuance Day will be held at Jack Scarlett's Place on **Friday, September 19th, 2008, 10:00am. Be there on time!** Stay for the Stag Luncheon following the License Issuance! Wyoming resident licenses will be available!
